Where officials and AOE capacity allows, meets will be licensed to level 4 for entry into county and open competitions. Should this not be available the meet will continue to be run unlicensed. Galas will be hosted with Colorado electronic timing with live stream and live results services operating where available. Results services will be provided on the MSS Website. Swimmers and spectators are reminded to take notice of the safety rules and procedures at the competition venue. Any updates to operations will be communicated in advance of the meet. Spectator fees are set at £3.50 for the season. There will be no printed start lists or schedules. Any details not covered in the rules and regulations are at the discretion of the MSS executive committee.
